

Retirement Compensation Arrangement (RCA) contribution tables

Use these tables to calculate the required monthly remittances for OMERS members with per-pay period earnings above the level at which the regular *2008 Contribution tables* stop.

These tables show annual earnings up to approximately \$200,100.00. Note that RCA contributions must still be calculated and deducted for earnings above this amount.

Contribution rates have not changed from 2006, but the 2008 year's maximum pensionable earnings limit (YMPE) is slightly higher.
