

Primary Plan Retirement Compensation Arrangement (RCA) contribution tables

Use these tables to calculate the required monthly remittances for OMERS members with per-pay period earnings above the level at which the regular *2009 Contribution tables* stop.

These tables show annual earnings up to approximately \$200,100.00. Note that RCA contributions must still be calculated and deducted for earnings above this amount.

Effective January 1, 2009, OMERS Primary Plan Registered Pension Plan (RPP) and Retirement Compensation Arrangement (RCA) contribution rates change. Deduct contributions at the 2009 rates beginning with the first, *full* pay period.
